

Corrosion Electrochemchina Meeting

July 30 to Aug.3, 2018, Beijing China

Meeting Information

General Information

The Corrosion Electrochemchina Meeting held at every two-year in China, will be held in Huairou, Beijing, July 30 to Aug.3, 2018. This domestic conference will bring together scientists, engineers, researchers, officers and college students (masters or doctors) from academia, industry, and government laboratories to share the results and discuss issues on the related topics through a variety of formats, such as oral presentations on this meeting, oral presentations on topic sessions, poster sessions, panel discussions and exhibits. The oral presentations on this meeting will be from the famous foreign professors (USA, France and Japan) and the famous domestic professors. The related topics of this meeting includes in the following:

- Corrosion electrochemical theory of metals or metal-based materials
- Corrosion failures and applications of organic or inorganic coatings, conversion films and plating or deposits.
- Corrosion inhibitor, mechanisms and applications
- Electrochemical protections
- Electrochemistry in the field of energy and environmental pollution controls
- Corrosion monitoring & inspection techniques and their applications

Abstract Submission

To give an oral or poster presentation at the Corrosion Electrochemchina Meeting 2018, you must submit an original meeting abstract for consideration via e-mail: **electrochem@electrochemchina.com** through **www. electrochemchina.com** **no later than April 30,2018**. Meeting abstracts should explicitly state objectives, new results, and conclusions or significance of the work.

Once the submission deadline has passed, the symposium organizers will evaluate all abstracts for content and relevance to the symposium topic, and will schedule all acceptable submissions as either oral or poster presentations.

Paper Presentation

Oral presentations may be Chinese with outlines in English. LCD projectors and laptops will be provided for all oral presentations. Authors must bring their presentations on a USB flash drive to be used with the dedicated laptop that will be in each technical session room.

Poster presentations must be displayed in Chinese with outlines in English, on a board L 1200mm x W 90mm, corresponding to their abstract number and day of presentation in the final program.

Meeting Publications

Corrosion Electrochemchina Meeting 2018 Abstracts all meeting abstracts will be published in *Electrochemchina Digital Libray* (www. electrochemchina.com).

Journal of Chinese Society for Corrosion and Protection--- *Special Issue* During

meeting, some outstanding presentations will be selected by experts. Afterwards, the full-text papers will be published in *Journal of Chinese Society for Corrosion and Protection*.

Technical Exhibits

The ***Corrosion Electrochemchina Meeting 2018*** will include a technical exhibit, featuring presentations and displays by dozens of manufacturers of instruments, materials, systems, and software of interest to meeting attendees. Exhibitor opportunities include unparalleled benefits and provide an extraordinary chance to present your products & technologies, services to key constituents in China.

If needed, one booth shall be booked in advance for exhibition. The charges of one booth are 8000 RMB for the domestic companies and 12000 RMB for foreign or joint-venture companies. If a company would like to give a financial support to ***Corrosion Electrochemchina Meeting 2018***, the charges of one booth shall be decreased, that is, the charges of one booth are 3000 RMB for the domestic companies and 5000 RMB for foreign or joint-venture companies. If you have interesting of advertisings on the proceedings 2018, please contact the organizing committee of ***Corrosion Electrochemchina Meeting 2018***.

Paper Awards

All papers, oral and poster presentations, will have a chance to be selected as outstanding or excellent papers, which will be issued as ***Corrosion Electrochemchina Meeting Awards*** and ***symposium Awards***. All attendees are encouraged to present their papers for awards. On the other hand, the famous academic institutes, companies and exhibitors are also encouraged to provide their supports for paper awards. The financial supports are **30000 RMB** for this **meeting 2018** and **20000RMB** for the **topic sections of meeting 2018**.

Meeting Registration

All participants, including authors and invited speakers, are required to pay the appropriate registration fees. The registration fees are 2300 RMB for normal participants and 1700 RMB for students, respectively.

This meeting will held in Beijing Zhongjian Yanqihujing Hotel. The accommodation hotels for all participants are Beijing Zhongjian Yanqihujing Hotel (Five Stars) and Beijing Yanqihu hotel (Three Stars). Hotel and meeting registration information will be posted on the website www.electrochemchina.com as it is available. The deadline for discounts is May 30,2018.

Finance Assistance

The organizer of ***Corrosion Electrochemchina Meeting 2018*** will give some discounts to master students and doctor students from universities and institutes from registration fees.

Sponsorship Opportunities

Corrosion Electrochemchina Meeting 2018 offers a wonderful opportunity to market your organization through sponsorship. Sponsorship allows exposure to outstanding experts or professors, the development of collaborative partnership, and potential business leads. The organizer of ***Corrosion Electrochemchina Meeting 2018*** welcomes support in the form of general sponsorship at various levels.

Any questions about ***Corrosion Electrochemchina Meeting 2018***, please contact the following members:
